ABOUT YARDEN

Yarden is the premier label and flagship brand of Golan Heights Winery. Each year, the finest grapes from the best vineyards are reserved for Yarden wines. “Yarden” is the Hebrew word for Jordan River, which bisects the Golan Heights from the Galilee. The label features a symbol of ancient Israel: an oil lamp decorated with mosaic tile.

THE WINE

2020 Yarden Cabernet Sauvignon is the 38th vintage of this globally renowned and beloved wine. Sourced from exceptional Cabernet vines, the wine aged for 18 months in French oak barrels (40% new). 2020 Yarden Cabernet Sauvignon exhibits aromatic notes of ripe black and red fruits, along with hints of chocolate, tobacco, earth and herb. Full-bodied and very flavorful, this classic wine is enjoyable to drink now, and will develop with age for more than a decade after harvest.

THE VINTAGE

The 2020 vintage was truly historic, with COVID coinciding with challenging harvest conditions. After a summer of above-average rainfall and some of Israel’s warmest-ever temperatures, our second, third and fourth weeks reached record levels, followed by an eight-week harvest period that was the shortest since 1994. Overall quality was high, proving once again that we have an amazing winegrowing region and team that comes through under extreme conditions.

ABOUT THE GALILEE APPELLATION

The Galilee (or Galil) is the northernmost — and generally considered the best — appellation in Israel. The highest quality growing area within the appellation is the Golan Heights (or simply the Golan), also the coldest region in Israel. The vineyards on this volcanic plateau rise from 1,300 feet to 3,900 feet above sea level and receive snowfall in the winter. Golan Heights Winery is located in the town of Katzrin in the central Golan.
