GALIL MOUNTAIN WINERY

Galil Misgav Am Vineyard

ABOUT GALIL MOUNTAIN

Located in a breathtaking spot atop the Upper Galilee mountain range, the innovatively designed Galil Mountain Winery is committed to revitalizing the region's rich history of winemaking. Galil Mountain was established as a joint venture in 2000 between world-renowned Golan Heights Winery and Kibbutz Yiron.

Galil Mountain cultivates six vineyards with varying topography and climate conditions that all contribute to high-quality winemaking. Planted at elevations up to 2,800 feet, the vines enjoy warm summer days and cool nights, and snow and frost in winter. Soils vary from limestone to flint, terra rossa and basalt. Like Golan Heights Winery, the vineyards of Galil Mountain Winery were among the first to receive accredited sustainable certification under the rigorous and renowned LODI RULES program.

THE WINE

Deep red in color, the wine displays aromas of spices, forest berries, cassis, black pepper, earth and oak. Full bodied wine with a long finish. Planted in 2013 in the heart of the Galilee region, the Misgav Am Vineyard is Israel's most northern vineyard. Misgav Am Vineyard wine embodies the commitment to excellence and sustainability forged between the winemaker and vineyard manager, who together are improving the vineyard's grape quality while protecting the environment. This potent wine is deep bordeaux in color, with notes of ripe fruit, spices, earth and toasted oak. The wine is aged in French oak barrels for 18 months.

THE APPELLATION

More than 2,000 years ago, the Upper Galilee mountain range in northwestern Israel – one of Israel's highest at more than 3,300 feet above sea level – was a choice location for the cultivation of quality grapevines. Today, the area's varied topography, soil and climate make it an ideal home for the vibrant Galil Mountain Winery.
