THE WINE

The 2021 Yarden Syrah Bar'on Vineyard is a single vineyard wine sourced from Bar'on Vineyard located in the cool northern Golan Heights. The wine aged in French oak barrels for 18 months.

ABOUT YARDEN SINGLE VINEYARD WINES

Golan Heights Winery has always focused on in-depth study and research of their terroir to match the best varieties with their vineyards. Over the past 40 years this has involved significant expertise and investment, including the development of cutting edge technology approaches to maximize the potential of their vineyards to produce exceptional wines that fully capture their terroir. Yarden Single Vineyard wines capture the character of the most unique sites and blocks in the Golan Heights.

BAR'ON VINEYARD

This single-vineyard wine is produced exclusively from Syrah grapes grown in Bar'on Vineyard. Certified sustainable, this vineyard is located at an elevation of 1,040 meters (3,400 feet) in the northern Golan Heights. Featuring soils composed of a basalt and tuff mixture, Bar'on is one of our highest-quality vineyards.

ABOUT THE GALILEE APPELLATION

The Galilee (or Galil) is the northernmost — and generally considered the best — appellation in Israel. The highest quality growing area within the appellation is the Golan Heights (or simply the Golan), also the coldest region in Israel. The vineyards on this volcanic plateau rise from 1,300 feet to 3,900 feet above sea level and receive snowfall in the winter. Golan Heights Winery is located in the town of Katzrin in the central Golan.
