THE

WINE

The 2020 Yarden Cabernet Sauvignon Allone Habashan Vineyard presents outstanding aromatic complexity, showing of characters of ripe cherries and berries along with hints of herbs, earth and spices. This rich yet elegant wine exhibits full body and a lingering finish. The wine aged for 18 months in French oak barrels. Though enjoyable upon release, the 2020 Yarden Cabernet Sauvignon Allone Habashan Vineyard will develop over the next several years and stay in great drinking condition for over a decade or more from harvest. Suitable for festive occasions, the wine pairs wonderfully with seared beef tenderloin, juicy boneless lamb roast, or mushroom dal with brown rice.

The 2020 Yarden Cabernet Sauvignon Allone Habashan Vineyard was produced in a limited edition of 66 barrels.

THE VINTAGE

The 2020 vintage was truly historic, with COVID coinciding with challenging harvest conditions. After a summer of above-average rainfall and some of Israel's warmest-ever temperatures, our second, third and fourth weeks reached record levels, followed by an eight-week harvest period that was the shortest since 1994. Overall quality was high, proving once again that we have an amazing winegrowing region and team that comes through under extreme conditions.

ABOUT THE GALILEE APPELLATION

The Galilee (or Galil) is the northernmost — and generally considered the best — appellation in Israel. The highest quality growing area within the appellation is the Golan Heights (or simply the Golan), also the coldest region in Israel. The vineyards on this volcanic plateau rise from 1,300 feet to 3,900 feet above sea level and receive snowfall in the winter. Golan Heights Winery is located in the town of Katzrin in the central Golan.
